

Olasov Rothbaum, and Sheila Rauch (Sept 2019 – 2<sup>nd</sup> Edition)

ISBN 9780190926939

This is available via <https://global.oup.com/academic/product/prolonged-exposure-therapy-for-ptsd-9780190926939?cc=us&lang=en&>, or other booksellers.

**Instructional Format:** This live webinar is fully interactive. Attendees may ask and answer questions throughout the presentation and participate in instructor-led discussions.

**System Requirements:**

**Zoom:**

- Internet connection
- Operating System: Windows 7 or higher, Mac OS X with MacOS 10.9 or higher
- Web Browser: Internet Explorer 11+, Edge 12+, Firefox 27+, Chrome 30+, Safari 7+
- Hardware: 1Ghz processor or higher

**Special Accommodations:** If you require special accommodations due to a disability, please contact Ms. Katie Medina at [katie.medina.ctr@usuhs.edu](mailto:katie.medina.ctr@usuhs.edu) 4 weeks prior to the training so that we may provide you with appropriate service.

**Grievances:** For any grievances or concerns with this training including those related to course content, non-receipt of certificate or other occurrences, participants may contact CDP's Continuing Education Director, Ms. Amanda Milochik, via email at [Amanda.milochik.ctr@usuhs.edu](mailto:Amanda.milochik.ctr@usuhs.edu).

**Instructor Biographies:**

**Kelly Chrestman, Ph.D.**, is a Senior Military Behavioral Health Psychologist at the Center for Deployment Psychology. She provides training, support and consultation in Cognitive Behavioral Therapy and in the Assessment and Treatment of PTSD. She works with the team at CDP to find new and better ways to link clinicians with both traditional and innovative resources that will help them implement EBPs more effectively. This includes leveraging computer technology and virtual assets to reach professionals that might otherwise have difficulty accessing high quality training and consultation.

Before coming to CDP, she trained at the National Center for PTSD in Boston, and at the University of Pennsylvania with Dr. Edna Foa. She is a Subject Matter Expert in Prolonged Exposure Therapy for PTSD and has trained numerous students and mental health professionals across the world in techniques for treating PTSD and other anxiety disorders. She also spent several years working closely with Native American Tribes where she focused on adapting evidence-based practice to better meet the needs of traditional Native communities. She is co-author of the Adolescent PE Manual, Prolonged Exposure Therapy for Adolescents with PTSD, and has written about community and professional responses to trauma, particularly domestic violence and sexual assault. She is also a co-developer of the Virtual PTSD Learning Center and Operation Avatar, a game based educational experience about trauma and combat-related PTSD, both hosted in the Second Life Virtual World platform.

**Paula Domenici, Ph.D.**, is one of the Directors of Training and Education at the Center for Deployment Psychology (CDP) at the Uniformed Services University of the Health Sciences (USUHS) in Bethesda, Maryland. She manages courses and training programs for enhancing behavioral health providers' and trainees' knowledge of military culture and evidence-based treatments to help address the unique needs of service members and veterans. She also presents workshops to clinicians across the country on military psychology including deployment-related topics. Dr. Domenici specializes in trauma and the treatment of PTSD using Prolonged Exposure Therapy (PE). When she first joined CDP in 2006, she worked at the National Naval Medical Center in the outpatient clinic and inpatient casualty care unit. Earlier in her career, she was an APA Congressional Fellow as well as a Staff Psychologist at the San Francisco VA Medical Center.
