

Tier Two: Overview of Military Service-Related Behavioral Health Challenges

June 10, 2024

A Live, Interactive Webinar

Description:

This training is the second of three tiers. Tier Two provides education about specific behavioral health challenges and difficulties that are often associated with military service. Topics include PTSD, sleep disorders, suicide, and ethics. This program content focuses on application of psychological assessment and intervention method for treating military-connected patients who are experiencing these challenges that have consistent and credible empirical support in the scientific literature, as well as ethical guidance that impacts civilian behavioral health clinicians who work with this population (Department of Veterans Affairs & Department of Defense, 2023; Judkins et al., 2020; Kelly, Robbins & Martin, 2019; Ammerman et al., 2020; Anestis et al., 2021).

Total CE Credits: 7.0

Total Contact Hours: 7.0

Learning Objectives:

Following the training, attendees will be able to:

1. Distinguish between Criterion A traumas and other distressing, aversive events
2. Screen for PTSD utilizing the PCL-5 with incoming clients
3. Integrate appropriate screening measures into the assessment of Insomnia and Obstructive Sleep Apnea
4. Distinguish between patients who do and do not require a referral to a primary care doctor and/or sleep specialist for sleep concerns
5. Develop a safety plan for suicide with patients using the seven-step process
6. Apply the principles of lethal means safety counseling when working with patients at risk for suicide
7. Evaluate the definition of ethics and how it relates to the role of the mental health provider
8. Analyze five (5) ethical challenges common to mental health providers working with the military population
9. Use Gottlieb's model to avoid dual relationships
10. Apply knowledge of the ethical decision-making process to military case examples

Target Audience: For behavioral health providers who treat military personnel, veterans, and their families.

Instructional Content Level: Intermediate

Agenda:

Eastern Time

(Please note the correct time for your respective time zone)

11:00 am – 11:15 am	Welcome and Overview

Continuing Education:

Course Completion Requirements: Participants are required to attend the entire training. Partial credits cannot be issued. Attendance is taken through the use of electronic logs, and a post-training evaluation form must be completed in order to receive ACE social work CE credits. For other CE credits, completion of the evaluation is strongly encouraged, but if you do not wish to complete the evaluation, please contact the training event's POC after the training event.

There is a 30-day time limit post-training to complete all CE requirements. CE Credit Certificates will be emailed within 30 days after all course requirements have been completed.

American Psychological Association Sponsor Approval:

The Center for Deployment Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The Center for Deployment Psychology maintains responsibility for this program and its content.

Association of Social Work Boards Approved Continuing Education Provider Approval:

The Center for Deployment Psychology, #1761, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. The Center for Deployment Psychology maintains responsibility for this course. ACE provider approval period: May 19, 2022 – May 19, 2025. Social workers completing this course receive 7.0 Live, Interactive Webinar continuing education credits.

New York State Education Department's State Board for Psychology Provider Approval:

The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists (#PSY-0178).

New York State Education Department's State Board for Social Work Provider Approval:

The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers (#SW-0744).

Inquiries regarding CE credits may be directed via email to SBHP Support at sbhpsupport-ggg@usuhs.edu.

Participate:

Online Platform: Zoom

Date: June 10, 2024

Time: 11:00 am – 7:30 pm Eastern

Please note the correct time for your respective time zone

Attendance Requirements: Attendees MUST log into the training on an individual computer/device rather than as a group using one computer/device. Attendance the entire day of training is required to receive CE credits and tier completion. Partial credit cannot be issued.

Registration Information: <https://starproviders.org/providers-home/>

Registration Deadline: Registration will close one business day before the training begins or when registration capacity has been reached.

Cancellations/Questions: Please contact SBHP Support at sbhpsupport-ggg@usuhs.edu if you have any questions or need to cancel your registration

Registration Cost/Refunds: Free

Required Materials: None

Location Information: Online via Zoom

Instructional Format: This live webinar is fully interactive. Attendees may ask and answer questions throughout the presentation and participate in instructor-led discussions.

System Requirements:

Zoom:

- Internet connection
- Operating System: Windows 7 or higher, Mac OS X with MacOS 10.9 or higher
- Web Browser: Internet Explorer 11+, Edge 12+, Firefox 27+, Chrome 30+, Safari 7+
- Hardware: 1Ghz processor or higher

Participants will not have to install any additional programs on their computer to take part. However, a web browser is necessary (Mac users: Chrome or Firefox is recommended to minimize tech issues).

Participant's may test their computer's Zoom capabilities by visiting <http://zoom.us/test>. We **recommend all participants test their ability to load Zoom in advance of the training event** to ensure there are no technical difficulties the morning of the event.

Special Accommodations: If you require special accommodations due to a disability, please contact Ms. Chris Myers at christina.myers.ctr@usuhs.edu 4 weeks prior to the training so that we may provide you with appropriate service.

Grievances: For any grievances or concerns with this training including those related to course content, non-receipt of certificate or other occurrences, participants may contact CDP's Continuing Education Director, Ms. Amanda Milochik, via email at Amanda.milochik.ctr@usuhs.edu.

Instructor Biographies:

Diana C. Dolan, PhD, CBSM, DBSM, is a clinical psychologist serving as an Assistant Director of Training & Education with the Center for Deployment Psychology at the Uniformed Services University of the Health Sciences in Bethesda, Maryland. Dr. Dolan has served at CDP in several capacities since 2012, including in one role as the associate training director of an APA-accredited clinical psychology internship. She currently oversees programs that provide evidence-based training for military-connected patients on a variety of topics. She also develops and presents trainings, and provides consultation services.

Dr. Dolan graduated from the University of North Texas with a bachelor's degree in psychology and earned her doctorate in clinical health psychology and behavioral medicine from the University of North Texas. She completed a clinical psychology internship at Wilford Hall Ambulatory Surgical Center in San Antonio, Texas. Dr. Dolan served as an active duty psychologist and is a veteran of the U.S. Air Force.

Dr. Dolan's professional interests include behavioral treatment of health conditions, in particular sleep disorders and within brief-natured primary care settings, clinical psychology training and program evaluation, and military psychology. She is certified in Behavioral Sleep Medicine by the American Board of Sleep Medicine. She is also a diplomate in Behavioral Sleep Medicine from the Board of Behavioral Sleep Medicine.

Kevin M. Holloway, Ph.D., is a licensed clinical psychologist working as Director, Online Training, Technology, and Telehealth (OT3) at the Center for Deployment Psychology (CDP) and Assistant Professor of Medical and Clinical Psychology at the Uniformed Services University of the Health Sciences in Bethesda, Maryland. In this capacity, he leads a team of subject matter experts and support staff to develop and present workshops across the world to military and civilian audiences on topics in deployment behavioral health and evidence-based therapies for Posttraumatic Stress Disorder (PTSD). Additionally, he leads a team of mental health subject matter experts and technology experts to develop and disseminate technology solutions to improve access to and quality of professional training. This team was recognized as Gold Medal winners in the International Serious Play Awards 2019 for Operation AVATAR and Bronze Medal winners in the International Serious Play Awards 2020 for Build a Bedroom, both interactive provider training environments in Second Life.

Dr. Holloway received his Ph.D. in clinical psychology from Brigham Young University in 2004, and completed his doctoral internship at the Portland, Oregon Veterans Administration hospital.

Prior to joining CDP, Dr. Holloway worked at the Department of Defense's National Center for Telehealth and Technology, where he led the Center's Virtual Worlds Program which explored the use of shared virtual environments for immersive, interactive patient education, provider training, and telemental health applications. The program was recognized as a Computerworld Honors Laureate in 2012 for the T2 Virtual PTSD

Experience. Dr. Holloway also led or contributed to projects investigating virtual reality exposure (VRE) therapy to treat PTSD, training providers in using VRE, gaming motivation for health applications, and video teleconferencing for telemental health.

Earlier in his career, Dr. Holloway was a staff psychologist at Madigan Army Medical Center, providing care to active-duty soldiers with an emphasis on combat-related PTSD and other anxiety disorders.

Jennifer Nevers, MSW, LCSW, is a Program Associate with the Center for Deployment Psychology (CDP) at the Uniformed Services University of the Health Sciences (USUHS) in Bethesda, Maryland. She assists in the implementation and expansion of the Star Behavioral Health Providers (SBHP) Program across the nation. SBHP trains civilian behavioral health providers to work with service members, veterans, and their families. The mission is to expand the availability of high-quality behavioral health services, especially to those in the reserve component.

Jennifer is a Captain in the Indiana Army National Guard serving as a Behavioral Health Officer with the 738th Medical Company Area Support. Jennifer interfaces with service members across Indiana linking National Guard Soldiers to behavioral health services. Prior to joining CDP, Jennifer worked with the U.S. Department of Veterans Affairs in the Veterans Justice Outreach Program. Jennifer has over 10 years' experience working as a liaison with problem solving courts and increasing access to care for justice-involved Veterans.

Jennifer received her Bachelor of Social Work from Indiana University in 2008 and her Master of Social Work from Washington University in St. Louis in 2009. Jennifer specializes in addressing the unique needs of service members and veterans using evidence-based approaches. Jennifer is certified in Cognitive Processing Therapy, an evidence-based treatment for PTSD and trauma-related disorders.

April Thompson, LCSW, is the Assistant Director of Special Projects for the Center for Deployment Psychology (CDP) at the Uniformed Services University in Bethesda, Maryland. In that capacity, she is responsible for coordinating with stakeholders across the Department of Defense to develop trainings in response to identified needs. Prior to joining CDP, she worked for the Office of Secretary of Defense within the Military Community and Family Policy component leading the Department's training efforts on prevention and response to domestic abuse and child abuse.

Ms. Thompson received her Bachelor of Arts degree from Pepperdine University and her Master of Social Work degree from University of Pennsylvania. For over 20 years, she has specialized in work with military members and their families. As both a military spouse and clinical social worker, Ms. Thompson is deeply committed to ensuring military service members and their families receive evidence-based, high quality behavioral health care. She has provided services to Army, Navy and Marine Corps families on installations within the US and overseas. Her professional expertise focuses on military culture, suicide prevention, couples and family therapy, and prevention of intimate partner violence and child abuse.
