# Ethics in Digital Health: A guide on how to approach the new way we practice

## 5/6/2025

## A Live, Interactive Webinar

---

## Description:

Digital health transforms healthcare, offering incredible potential but also complex ethical challenges. From AI to telehealth, these advancements raise critical questions about patient privacy, data security, algorithmic bias, and equitable access. This intensive half- day program equips you with the essential tools to navigate these complexities. Through interactive discussions, real-world case studies, and practical frameworks, you'll gain a deep understanding of core ethical principles and develop actionable strategies for ethical decision-making.

Total CE Credits: 3
Total Contact Hours: 3

## Learning Objectives:

Following the training, attendees will be able to:

1. Explain and apply core ethical principles in digital health.

2. Analyze and mitigate ethical risks in digital health technologies.

3. Engage in collaborative problem-solving and ethical discourse around the topic of digital media addiction among youth.

**Target Audience:** For behavioral health providers who treat military personnel, veterans, and their families.

**Instructional Content Level:** Introductory/Beginner

## Agenda:

| | |
|---|---|
| **Webinar room prep and Lobby time** | **12:30 AM - 1:00 PM** |
| **Welcome to CDPP and Speaker Intro** | **1:00 PM - 1:05 PM** |
| **Speaker Presents** | **1:05 PM - 3:55 PM** |
| **Question and Answer** | **3:55 PM - 4:00 PM** |

## Continuing Education:

**Course Completion Requirements:** Participants are required to attend the entire training. Partial credits cannot be issued. Attendance is taken through the use of electronic logs, and a post-training evaluation form must be completed in order to receive ACE social work CE credits. For other CE credits, completion of the evaluation is strongly encouraged, but if you do not wish to complete the evaluation, please contact the training event's POC after the training event.

There is a 30-day time limit post-training to complete all CE requirements. CE Credit Certificates will be available via CE21 within 30 days after all course requirements have been completed.

**American Psychological Association Sponsor Approval:**
The Center for Deployment Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The Center for Deployment Psychology maintains responsibility for this program and its content.

**Association of Social Work Boards Approved Continuing Education Provider Approval:**
The Center for Deployment Psychology, #1761, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program.  Organizations, not individual courses, are approved as ACE providers.  State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit.  The Center for Deployment Psychology maintains responsibility for this course.  ACE provider approval period: May 19, 2022 – May 19, 2025.  Social workers completing this course receive 3 Live, Interactive Webinar continuing education credits.

**New York State Education Department's State Board for Psychology Provider Approval:**
The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists (#PSY-0178).

**New York State Education Department's State Board for Social Work Provider Approval:**
The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers (#SW-0744).

Inquiries regarding CE credits may be directed via email to Jeremy Karp at jeremy.karp.ctr@usuhs.edu.

## Instructor Biographies:

David Cooper, PsyD. is a digital health expert who is currently the Executive Director of Therapists in Tech, the largest organization of clinicians in digital mental health. He has worked with organizations like the US Department of Defense, the AMA and FDA, Teladoc and many top hospitals in the US on their digital health strategies and portfolios.

Vaile Wright, PhD is the Senior Director for the Office of Health Care Innovation at the American Psychological Association. She is a licensed psychologist, and researcher focusing on developing strategies to leverage technology and data to address issues within health care including increasing access, measuring care, improving efficiencies and optimizing treatment delivery at both the individual and system levels. Dr. Wright has maintained an active line of research with peer-reviewed articles in multiple journals including Professional Psychology: Research and Practice, Psychotherapy and Clinical Psychology: Science and Practice. As a spokesperson for APA, she has been interviewed by television, radio, print and online media including CNN, NBC News, The New York Times, The Washington Post, and NPR on a range of topics including stress, politics, discrimination and harassment, COVID, serious mental illness, telehealth and technology, and access to mental health care. Dr. Wright received her PhD in counseling psychology from the University of Illinois, Urbana-Champaign, and is licensed in the District of Columbia.

**There is no commercial support or conflict of interest to report for these presenters.
