

The Use of Screening Tools

Recorded Asynchronous Distance

Description:

Early recognition and treatment for behavioral health disorders can lead to improved quality of life for service members. The training will review ways to incorporate screening into an overall comprehensive assessment. It will present limitations and benefits of various screening tools commonly utilized with military-connected clients. The training will conclude with presentation of vignettes demonstrating application of the tools in realistic scenarios.

Instructional Format: This course is a pre-recorded webinar that is available on the Center for Deployment Psychology's website. The participant will watch the full recorded video and take an online post-test

Total CE Credits: 1.75

Total Contact Hours: 1.75

Learning Objectives:

Following the training, attendees will be able to:

1. Assess the benefits and limitations of screening tools
2. Distinguish appropriate response options based on the results of approved screening tools
3. Demonstrate appropriate understanding of approved screening tools through responses to different case scenarios

Course Creation Date: 2/16/24

Target Audience: For behavioral health providers who treat military personnel, veterans, and their families.

Instructional Content Level: Introductory

Agenda:

0h:0m – Begin Screening Tools

Why use screening tools?

Screening of depression

Screening for suicide

Screening for PTSD and anxiety

Screening for alcohol Use

Screening for couples

Additional considerations

1h:47m - End Screening Tools

Continuing Education:

Course Completion Requirements: Participants are required to *watch the full recording*, pass the post-test with a 75% or greater score, and complete the post-training evaluation to obtain CE credit. Participants are required to complete the entire training curriculum. Attendance is monitored via the recording's view progress and recorded completion of the post-test. A post-training evaluation form must be completed in order to receive ACE social work CE credits. For other CE credits, completion of the evaluation is strongly encouraged, but if you do not wish to complete the evaluation, please contact the training event's POC after the training event.

There is a 30-day time limit post-registration to complete all CE requirements. CE Credit Certificates will be made available in the learning management system upon completion after all course requirements have been completed.

Participants are given three opportunities to pass the post-test. Credits will not be given if participants cannot pass with a 75% or greater score after three attempts at the post-test.

American Psychological Association Sponsor Approval:

The Center for Deployment Psychology is approved by the American Psychological Association to sponsor continuing education for psychologists. The Center for Deployment Psychology maintains responsibility for this program and its content.

Association of Social Work Boards Approved Continuing Education Provider Approval:

The Center for Deployment Psychology, #1761, is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved as ACE providers. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. The Center for Deployment Psychology maintains responsibility for this course. ACE provider approval period: May 19, 2022 – May 19, 2025. Social workers completing this course receive 1.75 Live, Recorded Webinar continuing education credits.

New York State Education Department's State Board for Psychology Provider Approval:

The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists (#PSY-0178).

New York State Education Department's State Board for Social Work Provider Approval:

The Center for Deployment Psychology is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers (#SW-0744).
