

# Lethal Means Safety Counseling

27 January 2025

A Live, Interactive Webinar

## **Description:**

This 120-minute training provides behavioral health providers with research-based information about the principles of lethal means safety counseling. It begins by exploring the importance of discussing means as part of suicide prevention interventions. Next, population-level efforts are compared with individual-level initiatives. Key components of Lethal Means Safety Counseling using principles of Motivational Interviewing are explored in depth. Participants view a video of Means Safety Counseling and then are provided with an opportunity to engage in a role play to practice skills introduced. The presentation concludes with an overview of suggested resources for additional learning.
